“ Pennine Five could not have worked better for us. We viewed numerous locations around Sheffield but found that Penning Five Campus matched our ambition of having a modern feel, is big enough to enable us to scale and we worked with the landlords to create a bespoke, turnkey package for the office fitout quickly. As a result we have excellent facility very close to the University that we’re really proud of. ”

Ben White, Phlux

“ We are excited to have relocated to Pennine Five, the growing hub of the innovation spine. As an established location for a cluster of deep tech companies, it made absolute sense for us to move here. ”
